

**Practical Magicks
for the
Prosperous Alchemist**

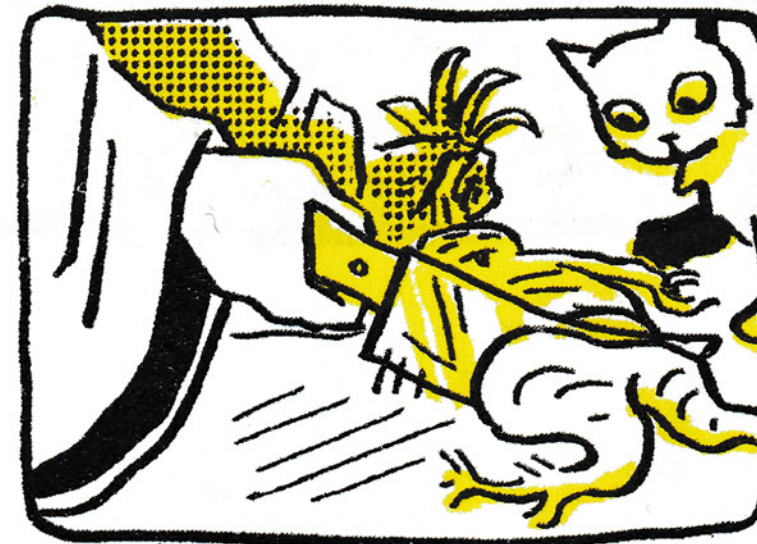

Menna Evans

The following formula brews the tonic of prosperity.
 Proper care must be taken to follow
 the precise instructions written in this tome.
 Otherwise, thy consequences are unfortold.

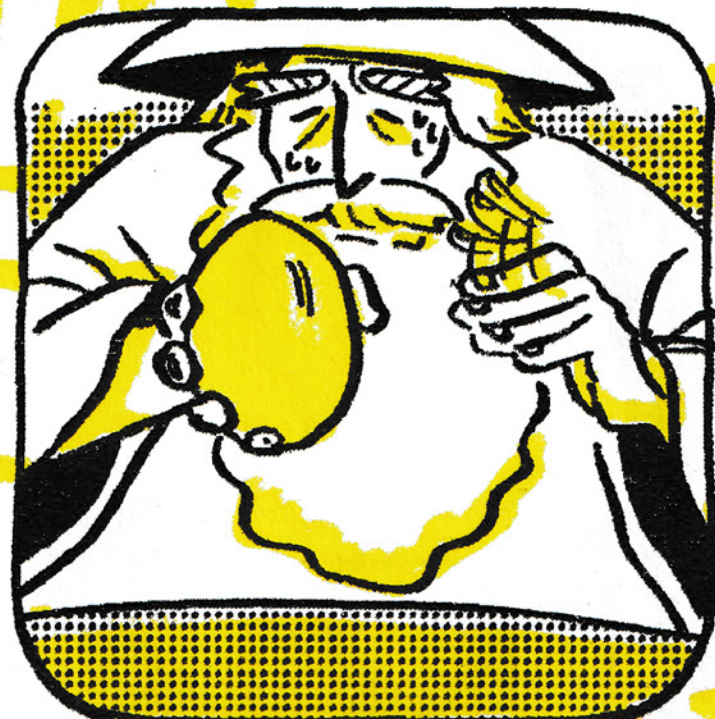

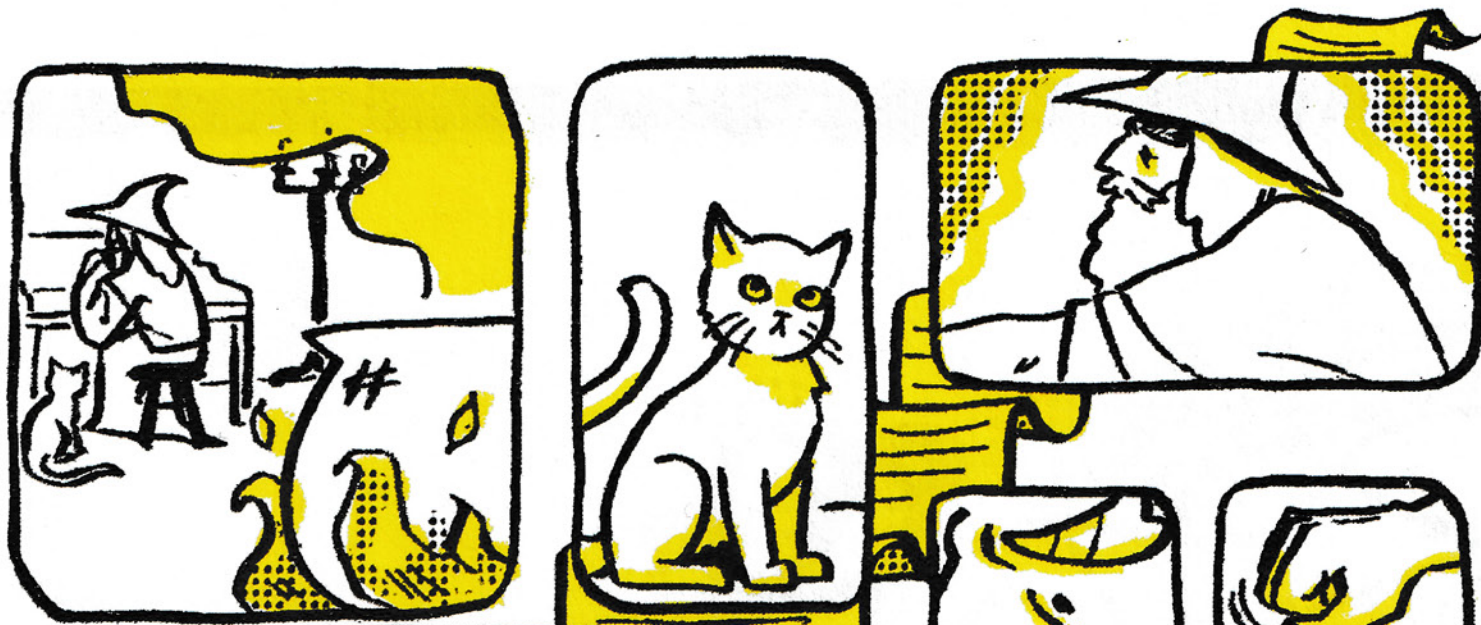

SHNK!

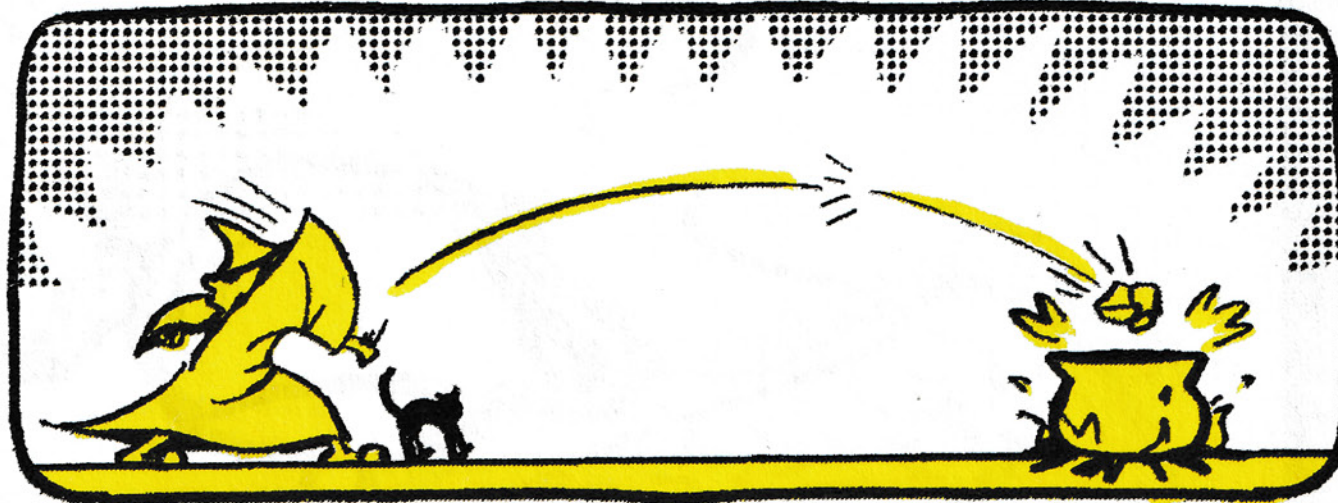

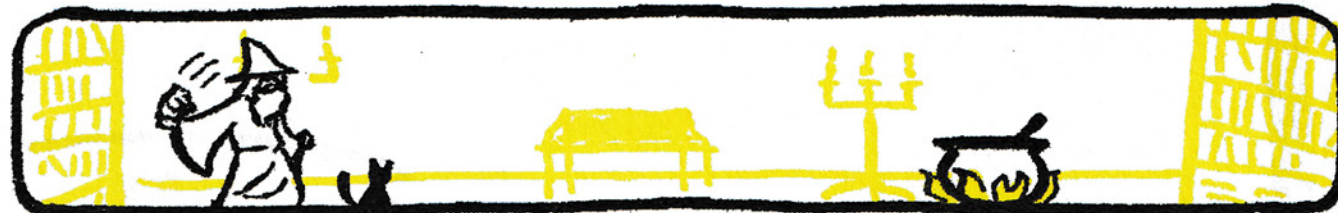

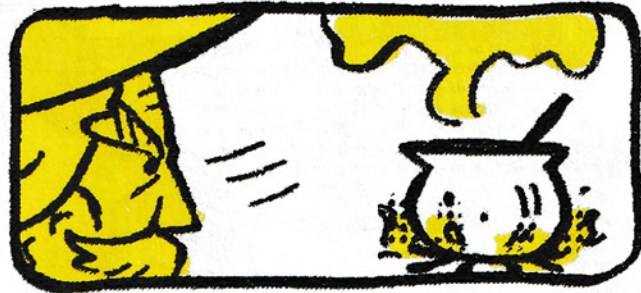

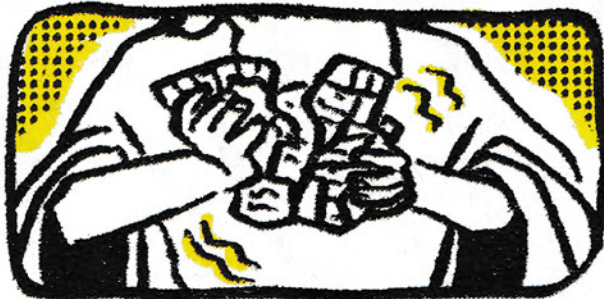

Embolden the arcane flame until the mixture is bubbling
to a point thy findeth mildly concerning.
Careful, alchemist: any more or less and the draught will spoil.

Fear not, alchemist!
The recipe is almost
thy needs
is to

collect the scales of
a red dragon,
a green dragon,
an off-white dragon,
a magenta dragon,
a yellow ochre dragon,
a dragon with impo
syndrome, a dragon
with small f
eason

... and a canary feather
and a lion's tears
and the boots of a goblin
and a finely-chopped
pastry and a child's
favourite toy and their
most hated one too and ...
